ABOUT WMDA/CAR

The Washington, Maryland, Delaware Service Station and Automotive Repair Association (WMDA) was established in 1937 as a trade association serving independent business men and women of service stations, repair facilities, convenience stores, and other related businesses.

The Association offers advantages to over 1,000 members by developing and delivering programs designed to enhance profits and reduce cost. In survey after survey, members of trade associations respond that their most important membership benefit is a good trade show.
